

Prepared for the board, covering the three months to 31 March.

Summary

Revenue rose against a flat cost base. The Baltic route remains the largest single contributor.

Route	Revenue	Margin
Baltic	412,900	31%
North Sea	288,400	24%
Adriatic	96,250	18%

Outlook

Two vessels come out of dry dock in May, which should lift Adriatic capacity.
